PRODUCT DESCRIPTION

The ADF 100 series is all about contemporary lines and a strong sense of style. Expertly constructed by some of the world's finest craftsmen ADF incorporates their heritage and time-honoured tradition into every design.

Acquiring an ADF wood burning fireplace isn't simply insuring heating solution for your home; it is comfort, dependability, well-being and a work of art.

FEATURES

- Constructed using high-strength 5mm quality black steel including steel base
- Automatic flue damper system significantly reduces smoke ingress to the room on re-fuelling
- High density vermiculite lining system insulates the combustion chamber, providing better heat reflection
- Superior air wash system keeps the glass clean for unparalleled fire viewing
- Removable door handle, ensures a cool touch when stoking or refuelling the fire
- Vertical smoke exit through the top
