PRODUCT DESCRIPTION

The Linea 85 Insert has a clean-lined aesthetic that is visually pleasing as it brings warmth and comfort to the heart of the home.

The ADF Linea 85 Insert fire can be operated alone with only radiant heat or installed with a German made fan that is thermostatically controlled so it will only operate when the unit reaches an optional temperature.

Features

- Constructed using high-strength 5mm quality black steel
- Automatic flue damper system significantly reduces smoke ingress to the room on re-fuelling
- High density vermiculite lining system insulates the combustion chamber, providing better heat reflection
- Superior air wash system keeps the glass clean for unparalleled fire viewing
- Removable door handle, ensures a cool touch when stoking or refueling the fire
- Vertical smoke exit through the top
