PRODUCT DESCRIPTION

The Harmony of the lines makes the Linea 85 P the perfect equipment for your living room. The final design is in the details. From the planning, project, testing, certification, quality of materials and components, manufacture, quality control and packaging ADF fires are painstakingly engineered and timelessly designed.

The Linea 85 P provides a considerable 13.1kW of heat output with an average of 63% efficiency. Exhibiting all the traits that come with every ADF fire, these fires represent a strong tradition of workmanship, all whilst beautifully and efficiently distributing comfort and warmth.

Acquiring an ADF wood burning fireplace isn't simply insuring heating solution for your home; it is comfort, dependability, well-being and a work of art.

Features

- Constructed using high-strength 5mm quality black steel
- Contemporary steel pedestal base
- Automatic flue damper system significantly reduces smoke ingress to the room on re-fuelling
- High density vermiculite lining system insulates the combustion chamber, providing better heat reflection
- Superior air wash system keeps the glass clean for unparalleled fire viewing
- Removable door handle, ensures a cool touch when stoking or refueling the fire
