## PRODUCT DESCRIPTION

The C700L wood fireplace is a basic model for all of [Chazelles's fireplace](#) designs and is the 2nd smallest fireplace in the [Radiant Collection](#) which is built for the lower price range. The C700L fireplace is designed for installation into an existing brick fireplace and chimney space. This [fireplace design](#) showcases the splendour of a slow combustion open fireplace without compromising on safety and heating efficiency.

### FEATURES INCLUDE:

- 130kg heavy duty cast iron fireplace
- Lateral (side) opening
- 200 mm flue size
- 820°C heat resistant ceramic flat glass
- Choice of 2 door trim finishes: gun metal or full brass
- 10 year warranty
- AS/NZS 4013 tested.
