PRODUCT DESCRIPTION

The Atlantic mantel package is full of excellent features that will make it suitable for all kinds of settings. This contemporary fireplace uses a realistic log set and flame effects to create a very convincing result. Set up in minutes, no expensive installation or venting required. The LED Flame effect can be used independently of the heat source, circulating air in room without heat. Can be moved from room to room.

Features

- Optiflame technology with log effect
- Safe, cool to touch Glass
- Circulates Air without heat
- Grey & Concrete Effect Finish
- 2 Heat Settings
- Multifunction Controls
