PRODUCT DESCRIPTION

The Vintage series has a brilliant retro look, a 'television' shape and soft, rounded edges.

This wood stove has a removable handle and is directly connectable to outside air.

Ashbox included.

Also available in White Enamel

Dovre offers you a broad range of modern, timeless, or traditional stoves made in premium cast iron, using state-of-the-art production techniques. Indeed, Dovre designs make a stylish feature in any interior.

Nothing can really match the splendour of real flames. People have been warming themselves in front of an open fire for centuries.

Dancing flames hold a huge attraction to us

Modern combustion techniques ensure that your 'closed' fire becomes a very functional and environmentally conscious way of heating and burning.

The Dovre range consists mainly of wood-burning stoves, with superior heating technology, guaranteeing an environmentally responsible combustion and high efficiency.
