PRODUCT DESCRIPTION

The Eureka Opal wood heaters are efficient and powerful. They offer premium heating comfort with fire brick lining with a tall pedestal for easy loading in a size to suit every home.

Relax and enjoy the warmth and performance of the Eureka Flat Window Freestanding range. Comprising of 3 models, the series has stylish looks with innovative design and each model is fan forced.

Performance to meet the needs of Australia's most severe winter conditions is paramount.

Additional Features

- 3-Speed fan
- Firebrick lined
- 8mm steel baffle plate
- Tall pedestal for easy loading
- 10 Year firebox warranty
