PRODUCT DESCRIPTION

Sure to become a design icon — the new, sleek and modern Eureka Jasper provide all the benefits of radiant style wood heating. Perfect for homes with poor insulation or high ceilings, radiant heaters emit heat directly through the outer surface of the firebox, rapidly warming your space.

Additional Features

- Firebrick lined
- Dual baffle system featuring 8mm primary baffle
- “Boost Air” inlet for easier ignition
- Heavy duty cast iron door
- 10 Year firebox warranty
