## PRODUCT DESCRIPTION

Hayra 85 B doesn't just deliver a mesmerizing flame, it also has a solid steel construction and an innovative design.

The Hayra 85 B provides a considerable 13.1kW of heat output with an average of 63% efficiency. Exhibiting all the traits that come with every ADF fire, these fires represent a strong tradition of workmanship, all whilst beautifully and efficiently distributing comfort and warmth.

Acquiring an ADF wood burning fireplace isn't simply insuring heating solution for your home; it is comfort, dependability, well-being and a work of art.

### *Features*

- Constructed using high-strength 5mm quality black steel
- Automatic flue damper system significantly reduces smoke ingress to the room on re-fuelling
- High density vermiculite lining system insulates the combustion chamber, providing better heat reflection
- Superior air wash system keeps the glass clean for unparalleled fire viewing
- Removable door handle, ensures a cool touch when stoking or refuelling the fire
- Vertical smoke exit through the top
- Optional Stands available for additional costs - Pedestal, Steel Bench in two sizes & Steel Box Base
