HOT GLASS CLEANER

\$22.50

Available in 200ml bottles

PRODUCT DESCRIPTION

Hot Glass Cleaner from Rubbedin, has been designed to make light work of the stubborn soot, tar and creosote that accumulates on your wood heater glass.

With continued use it will reduce the build up of stains on your glass thereby making it easier to maintain.

Hot Glass Cleaner is very easy to use, non hazardous and non-toxic.

It is also excellent at removing stubborn grease and food spills from combustion stove tops, ovens and microwave doors, ceramic glass cooktops & porcelain enamel.
