PRODUCT DESCRIPTION

F 163 is one of the most efficient heaters on the market. A unique look, characterised by its large side glasses and three sturdy legs, makes it suitable for both corner and standard installations. Designed to suit modern living and powerful enough to heat 100-140m².

Advantages

- Cast iron
- Suitable for low effect heating
- Practical ash removal solution
- Combines materials, different surfaces and colours
- Special side glasses that stay clean
- Easy to use with only one air vent
- Ability to be connected to direct external air
