PRODUCT DESCRIPTION

The Lopi 864 Clean Face 40K GS2 Series offers uninterrupted viewing of the fire with clean lines to suit any decor. Each model has a large viewing area with heating capacities for medium to large spaces depending on model chosen. The range features the exclusive functions of GreenSmart 2 technology with overhead lighting, new Ember-Glo accent lighting & quiet 6 speed Fans. The Fans can be switched off completely when enjoying just radiant heat or when watching television.
