PRODUCT DESCRIPTION

The new 2020 Lopi Endeavor is a beautiful workhorse that unites form and function into an unbeatable heat transfer system. This new model features the Endeavor's classic step-top design for both radiant and natural convection heat with cook-top facility.

The firebox is designed to load large pieces of timber thanks to the deep design. Sit back and enjoy the fire burning through the impressive large glass viewing area with burn times up to 10 hours.

In addition, the by-pass damper feature helps aid you in lighting the fire faster and assists in preventing smoke-backs while starting and reloading.

This new design features a large ash pan adding even more practicality to this new model.

Options

[Greenstart](#)

The GreenStart igniter has made getting your fire burning as convenient as pushing a button. Additionally all of the mess of starting a fire with matches and newspapers is no longer part of the process. The new GreenStart system instantly elevates combustion temperatures within your stove, immediately establishes a draft and eliminates the slow and smoky typical wood fireplace start up. Never before has getting your wood fire burning been so simple.
