MODERN FLAMES REDSTONE TRADITIONAL INSERT ELECTRIC FIREPLACE

\$1,349.00

*Price is for the *Redstone Traditional Electric Insert 26"* model only and does not include optional extras or installation.

Please contact us for more information.

PRODUCT DESCRIPTION

Update your old fireplace with this premium electric fireplace insert. With efficient heat and beautiful, life-like flames, the Redstone is designed as an alternative to a wood-burning fireplace and provides a beautiful and affordable substitute. The insert can provide supplemental zone heating and can be used with or without heat for year-round enjoyment. These inserts don't require building a fire, and are even easier to start and maintain.

Modern Flames was established in 2008 and has quickly become the innovative leader in contemporary electric fireplace design and technology. After pioneering the linear electric fireplace throughout North America and Australia, Modern Flames' brand has skyrocketed with many firsts to market including; the first linear recessed electric fireplace, the first fully built-in electric fireplace and again has changed the industry by creating the first Virtual Electric Fireplace, the Orion Series.
