PRODUCT DESCRIPTION

The combination of cast-iron, glass and the elliptical shape sets the 6612 model apart from the crowd.

These fires provide style, function and supreme performance. The unique double door maximizes the glass area providing a 180° view of the flames.

Available in two designs, **6612** with legs or the **6643** with Wood Storage.

Additional Features

- Convection System
- Pre-heated combustion air
- Airwash system
- Tertiary Air
- Ash Can
- Secondary air supply
