## PRODUCT DESCRIPTION

The Morso 7943 with wood stacker fireplace features large panoramic windows on the front and sides for a 180° view of the flames, self-closing door and combustion technology using pre-heated air to produce higher temperatures.

The optional heat storage banks that fit on top of either the 7948 or 7943 stoves, stores heat for longer, and emits it slowly providing an eco-friendly option to heating. (Choice of Low Top for up to **30kilos** and High Top for up to **95kilos** of heat-storing bricks.)

There are 2 designs to choose from, 7948 with Freestanding Pedestal Base or the 7943 with the Open Base for wood storage.

Optional door available at additional cost.

### *Additional Features*

- Convection System
- Pre-heated combustion air
- Pre-heated secondary air supply
- Ash Can
- Airwash system
- Tertiary Air
