## PRODUCT DESCRIPTION

### **BRAND NEW - Nectre Form Series - Form 2**

Designed to suit the modern Australian, it is not only clean and extremely modern in its aesthetics but performs exceptionally well with low emissions and powerful heat output.

The ability to connect the air intake of the heater to an outside air source, will mean that it can efficiently heat the modern Australian home.

A cast iron door and top plate not only resonate the robust quality synonymous with the Nectre brand but also more effectively radiate heat into the home. A large pane of curved, flame-resistant glass gives a more captivating view of the fire.

### ***Additional Features***

- 10 year firebox warranty
- Curved glass for increased viewing angle
- Woodstacker
- Optional outside air kit available soon
