PRODUCT DESCRIPTION

The Nectre N60 is one of the cleanest burning wood heaters on the market.

Together with great looks and easy to use functions the N60 is fast becoming a crowd favourite and fits beautifully in either a traditional or contemporary living area.

Nectre N60 is finished in black metallic paint and comes with steel door with ceramic glass and a stainless steel handle. Steel baffle with steel brick retainer and firebrick lining to improve thermal mass and wood storage underneath.

Available in straight or curved sides.

Additional Features

- A 720mm x 720mm hearth is required.
- Door aperture is 305mm x 380mm.
- Total weight 190kg.
- 10 year firebox warranty
- Wood storage area underneath
