## PRODUCT DESCRIPTION

The Nectre N900 Freestanding with wood storage is one of the largest open burning wood heaters on the market.

With it's versatility in installation; freestanding with wood storage; built-in or masonry insert, the N900 can become the centrepiece of any room or undercover alfresco area.

### Features

- Massive firebox
- longer burn time for better efficiency
- 3 speed remote control fan
- Wood Storage Box
