## PRODUCT DESCRIPTION

Update your old fireplace with this premium electric fireplace insert. With efficient heat and beautiful, life-like flames, it is designed as an alternative to a wood-burning fireplace and provides a beautiful and affordable substitute.

The insert can provide supplemental zone heating and can be used with or without heat for year-round enjoyment.

These inserts don't require building a fire, and are even easier to start and maintain.

Experience the innovative Orion™ virtual fireplace that utilises the most optimised technology, creating the most life-like fire in an electric fireplace. Make every presentation brilliant with three flame styles. Embers and down lighting, six colours options and three flames which offers 18 different flame colour displays. No matter where you stand or sit, the image quality is consistent. Heliovision® technology gives you the premium flame you desire.
