## PRODUCT DESCRIPTION

Representing the first model in the line-up of the ProBuilder Series by Lopi, the ProBuilder 42 Linea Gas Fireplace is the perfect choice for anyone seeking a beautiful, reliable and economical way to heat their home!

With the ProBuilder Series, you get more heat for less; that's more features and benefits than any other value-priced linear gas fireplaces available, plus heavy duty construction and quality craftsmanship to ensure years of dependable warmth!

The ProBuilder 42 Linear features sleek, elegant styling and a contemporary fire viewing area that showcases tall dancing flames. This fireplace is designed to provide comforting radiant heat plus excellent natural convection to homes and living spaces up to 100sqm. The quiet twin fans are available to help increase the air flow distribution throughout your home. The GreenSmart Basic remote control is also offered as an available option with this model.

The Optional [CoolSmart Wall](#) allows you to install a TV or artwork (recessed or face mounted) lower down on the wall above the fireplace.
