## SOOT-LOOSE CHIMNEY & FLUE CLEANER

**\$5.50**

*Available in 50g sachets, single or 3 pack*

## PRODUCT DESCRIPTION

### Soot-Loose Chimney & Flue Cleaner

- non flammable
- non toxic
- non corrosive
- organic

The solvent travels up the chimney/flue and dissolves tar and creosote. With regular use Soot-Loose will prevent the build-up of tar, creosote and soot in your chimney/flue, increasing the efficiency of your heater, reducing smoke emissions and prevents dangerous flue fires.

Unlike salt based flue cleaners, Soot-Loose will not corrode stainless steel flues.
