PRODUCT DESCRIPTION

Thermalux Clarendon is an extremely fuel efficient, small to medium-sized wood cooker with options to suit new and refurbished locations for a wood stove.

The Clarendon with splashback and Queen Anne style legs is perfect for that country kitchen or restored Victorian or Edwardian cottage. The Clarendon can also be mounted on a brick plinth or a steel base cabinet for a contemporary look or on legs for a more traditional colonial style.

The original unit consists of a single oven, large cooktop with lift off hot plate covers, firebox with 5kw hot water jacket for domestic hot water, an ashtray and has a centrally located flue.

Additional Features

- ☐ splashback added
- ☐ rear flue option
- ☐ oven door has a glass door option
